TO: Designees for Compensation Schedule Distribution

FROM: Jeanne Greene, Director  
Department of Personnel

SUBJECT: Compensation Schedules for Elected Officials

---

Newly revised compensation schedules for elected officials are attached for your use. They are effective January 1, 2005. This revision is due to the change in the number of calendar days in the year from 366 to 365.

Elected officials are required to be paid on a daily basis. Therefore, they are paid seven days a week and their biweekly salary reflects 14 days' pay. The reduction of the number of days in the year results in an increase to the daily, biweekly and hourly rates of pay reflected on the compensation schedule. There is no change in the annual salary.

Agencies **do not** need to submit ESMTs to reflect the new hourly wage on their elected officials. The IFS/Advantage system has been updated to automatically make the adjustments needed.

Please replace your old compensation schedule for elected officials only. If you have questions please contact Tracy Walters, Personnel Analyst III, at 684-0130.
